Effective July 1, 2018, the Company’s independent registered public accountants, GBH CPAs, PC (“GBH”) completed the combination of its practice into Marcum LLP (“Marcum”). As a result of the aforementioned, on August 13, 2018, Organicell Regenerative Medicine, Inc. The engagement of Marcum has been approved by the Company’s Board of Directors. The GBH files have been transferred to Marcum and Marcum is completing the October 31, 2017 audit.

Pursuant to applicable rules, the Company makes the following additional disclosures:

(a) GBH’s report on the consolidated financial statements of the Company as at and for the fiscal year ended October 31, 2016 did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles, except that such report contained an explanatory paragraph in respect to uncertainty as to the Company’s ability to continue as a going concern.

(b) During the fiscal years ended October 31, 2017 and 2016 and through August 13, 2018, there were no disagreements with GBH on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to GBH’s satisfaction would have caused it to make reference thereto in connection with its reports on the financial statements for such years. During the fiscal years ended October 31, 2017 and 2016 and through August 13, 2018, there were no events of the type described in Item 304(a)(1)(v) of Regulation S-K.
