**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
MAY 15, 2018**

We are providing this Proxy Statement to you in connection with the solicitation of proxies by the board of directors of Central Federal Bancshares, Inc. for the 2018 Annual Meeting of Shareholders (“Annual Meeting” or the “meeting”) and for any adjournment or postponement of the Annual Meeting. In this Proxy Statement, we may also refer to Central Federal Bancshares as the “Company” or “we,” “us,” or “our,” and we may refer to our wholly owned subsidiary Central Federal Savings and Loan Association of Rolla as “Central Federal.”

We are holding the 2018 Annual Meeting at the offices of Central Federal Savings and Loan Association of Rolla, located at 210 West 10th Street, Rolla, Missouri 65401, on Tuesday, May 15, 2018 at 5:00 p.m., local time.

We intend to mail this Proxy Statement and the enclosed proxy card to shareholders of record beginning on or about April 6, 2018.

INFORMATION ABOUT VOTING

You are entitled to vote the shares of our common stock that you owned as of the close of business on March 29, 2018. As of the close of business on that date, a total of 1,675,920 shares of our common stock were outstanding. Each share of common stock has one vote.

You may own shares of our common stock in one of the following ways:

- Directly in your name as the shareholder of record;
- Indirectly through a broker, bank, or other holder of record in “street name;” or
- Indirectly through the Central Federal Savings and Loan Association of Rolla Employee Stock Ownership Plan (the “ESOP”).

If your shares are registered directly in your name, you are the holder of record of these shares, and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the meeting.

If you hold your shares in street name, your broker, bank, or other holder of record or nominee (all of which we refer to as “nominees”) is sending these proxy materials to you. As the beneficial owner, you have the right to direct your nominee how to vote by filling out a voting instruction card that accompanies your proxy materials. Your nominee may allow you to provide voting instructions by telephone or by the internet. Please see the voting instruction card provided by your nominee that accompanies this Proxy Statement. **If you hold your shares in street name, you will need proof of ownership to be admitted to the 2018 Annual Meeting.** A recent brokerage statement or letter from your nominee are examples of proof of ownership. If you want to vote your shares of our common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank, or other holder of record or nominee holder of your shares.

If you hold your shares through the ESOP, we are sending these proxy materials to you. As the beneficial owner of the shares that are allocated to your ESOP account as of the record date (see the information in this Proxy Statement under the heading “*Beneficial Ownership*”), you have the right to vote those shares by timely giving voting instructions to the ESOP trustee as described in this Proxy Statement under the heading “*Participants in the ESOP*.”

Quorum and How We Count Votes

The Annual Meeting will be held if a majority of our outstanding shares of common stock, constituting a quorum, is represented at the meeting. If you return a properly executed proxy card, your shares will be counted for purposes of determining a quorum at the meeting, even if you abstain from voting. Abstentions and broker non-votes count as shares present at the Annual Meeting for purposes of determining a quorum. If you own shares in “street name” through a bank, broker, or other record holder or nominee holder of your shares, you may instruct them how to vote your shares. A “broker non-vote” occurs when a shareholder who owns shares through a nominee fails to provide the bank, broker, or other record holder or nominee holder with voting instructions and either the nominee does not have the discretionary authority to vote the shares on a particular proposal or they otherwise fail to vote the shares. A proxy card marked “withhold” for a person nominated for election to our board will not be treated as a vote for that person. A proxy card marked “abstain” on a matter will be considered to be represented at the Annual Meeting but not voted for these purposes.

Under the rules that govern brokers, your broker, bank, or other record holder or nominee may not be permitted to exercise voting discretion with respect to Item One—Election of Directors. If you wish for your shares to be voted on this matter, you must provide your broker, bank, or other record holder or nominee with voting instructions. For Item Two—Ratification of the Appointment of Independent Auditor, your broker, bank, or other record holder or nominee will have discretionary authority to vote your shares.

Voting Limitation

Our Articles of Incorporation provide that record holders of our common stock who beneficially own in excess of 10% of the outstanding shares of common stock (the “Limit”) are not entitled to any vote with respect to the shares held in excess of the Limit. Under the Articles of Incorporation, our board may make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert and demanding that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to us to enable the board of directors to implement and apply the Limit. With respect to shares held by a broker, bank, or other record holder or nominee, our board of directors generally will look beyond the holder of the shares to the person or entity for whom the shares are held when applying the voting limitation. However, where the ultimate owner of the shares has granted voting authority to the broker, bank, or other record holder or nominee that holds the shares, the board will apply the 10% voting limitation to the nominee.

Votes Required for Proposals

At the Annual Meeting, shareholders will vote on the election of two directors to serve for terms of two years and ratification of the appointment of an independent registered public accounting firm for the year ending December 31, 2018. The affirmative vote of a majority of the shares present and entitled to vote at the meeting is required for a person nominated for our board of directors to be elected and for the ratification of the appointment of BKD, LLP as our independent registered public accounting firm.

Participants in the ESOP

If you participate in the ESOP, you have the right to vote the shares that are credited to your ESOP account as of the record date. You will receive a voting instruction card that will reflect all shares held in the ESOP that you may vote. Under the terms of the ESOP, the ESOP trustee votes all allocated shares of Company common stock held by the ESOP as directed by the participants. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which timely voting instructions are not received in the same ratio as the trustee votes those shares for which participants have properly provided instructions (disregarding shares with respect to which the trustee has received instructions to abstain). **The deadline for returning your voting instructions for the ESOP to the ESOP Trustee is 5:00 p.m., Central time, on Thursday, May 10, 2018.**

Voting by Proxy and Revocation of Proxies

The board of directors of the Company is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Company common stock to be represented at the Annual Meeting by the persons named in the enclosed proxy card. Our board of directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxyholders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, which may properly come before the Annual Meeting or any adjournments thereof.

Shareholders who execute proxies in the form solicited by this Proxy Statement have the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of our board of directors will be voted in accordance with the directions given on the proxies. Please sign and return your proxy card in the postage paid envelope provided. Where no instructions are indicated, validly executed proxies will be voted “FOR” the proposals set forth in this Proxy Statement.

You may revoke your proxy by sending written notice of revocation to our Secretary at the address shown above, by submitting a later-dated proxy, by following the internet instructions on the enclosed proxy card, or by voting in person at the Annual Meeting. If you return a proxy for the Annual Meeting, your presence at the Annual Meeting will not, by itself, revoke your proxy unless you deliver your ballot in person at the Annual Meeting or deliver a written revocation to our Secretary prior to the voting of your proxy.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

Our board of directors currently consists of seven members, all of whom, including the members nominated for election to the board, are independent under the listing standards of the NASDAQ Stock Market, except for Larry D. Thomas, who was an officer of us and of Central Federal until his retirement on December 31, 2015. In determining the independence of our directors, the board considered transactions, relationships, and arrangements between us or Central Federal and the directors that are not required to be disclosed in this Proxy Statement under the heading “*Transactions with Related Parties*,” including loans or lines of credit that Central Federal has directly or indirectly made to officers, directors, and related parties.

Board Leadership Structure

The position of our chairman of the board and the office of our president and chief executive officer are held by different persons. William A. Stoltz, our President and Chief Executive Officer and also the President and Chief Executive Officer of Central Federal, is responsible for setting our strategic direction and providing day-to-day leadership. Mr. Stoltz is not a member of the board of directors of either us or Central Federal, although he attends all meetings of the boards, except for when the board meets in executive session. Having been employed by Central Federal in various roles for over 30 years, Mr. Stoltz is well positioned to understand the challenges faced by our organization. Michael E. Estey, the chairman of our board and of the board of Central Federal, is an independent director who has been a member of the board of Central Federal since 1996 and has been a member of our board since our inception in 2015. He is also a member of our Audit Committee. Mr. Estey chairs meetings of the board of directors and works with our officers to ensure that the board of directors has adequate resources and information to support its activities. Because we have separated these roles and appointed an independent director as chairman of the board, we do not have a separate lead independent director. We believe our governance structure is appropriate given the size, limited market area, and relatively non-complex operating philosophy of our organization.

Board’s Role in Risk Oversight

Our board of directors is actively involved in oversight of risks that could affect us and Central Federal. Risk is inherent in the operation of every financial institution, and management of risk is a key part of the institution’s success. Risks faced by us, including Central Federal, include credit risk, interest rate risk, liquidity risk, operational risk, strategic risk, and reputational risk. Risks relating to the direct operations of Central Federal are further overseen by the board of directors of Central Federal, who are the same individuals who serve on our board of directors. Our management is responsible for the day-to-day management of the risks faced by us, while the board of directors as a whole is ultimately responsible for risk management oversight. In carrying out its responsibilities in this area, the board has delegated important duties to its committees. The Audit Committee assists the full board with respect to the adequacy of our internal controls and financial reporting process, the independence and performance of our internal and external auditors, and compliance with legal and regulatory requirements. The Compensation Committee has the authority to conduct annual reviews of our incentive compensation practices to assess the extent to which such arrangements and practices encourage risk-taking and whether the level of encouragement of such risk-taking is appropriate under the circumstances.

The entire board reviews and approves, on an annual basis, all significant policies that address risk within our consolidated organization, including credit risk, interest rate risk, liquidity risk, and compliance risk. The board monitors risk through reports received on a periodic basis from management, and the board annually approves the Company’s contingency plan as well as its insurance program.

The Board of Directors and Board Committees

We conduct business through meetings of our board of directors and its committees. During the year ended December 31, 2017, the Company’s board of directors met four times (quarterly), and Central Federal’s board of directors met 12 times (monthly). The Company’s board of directors has established Audit, Compensation, and Nominating Committees, each of which operates under a written charter approved by the board of directors. No member of our board of directors or any committee thereof attended fewer than 75% of the aggregate of the total number of meetings of the board of directors (held during the period for which he has been a director) and the total number of meetings held by all committees on which he served (during the periods that he served).

The following table identifies our standing committees and their members. All members of each committee are independent in accordance with the listing requirements of the NASDAQ Stock Market. The board’s Audit, Compensation, and Nominating Committees each operate under a written charter that is approved by the board of directors. Each Committee reviews and reassesses the adequacy of its charter at least annually.

Robert R. Thompson		X	X

Number of Meetings in 2017	4	1	1

Compensation Committee. The Compensation Committee currently consists of directors Robert R. Thompson and John D. Wiggins. The Compensation Committee is responsible for human resource policies, salaries and benefits, incentive compensation, executive development, and management succession planning. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the executives’ total compensation package. The board of directors has adopted a written charter for the Compensation Committee. The Compensation Committee Charter is available on the Company’s “Governance Documents” webpage at <https://www.snl.com/IRW/govdocs/4629645>, which can be accessed through Central Federal’s website under the “About Us – Investors” tab.

Nominating Committee. The Nominating Committee currently consists of directors Stephen L. Bowles, Robert R. Thompson, and John D. Wiggins. The Nominating Committee is responsible for identifying individuals qualified to become board members and recommending a group of nominees for election as directors at each annual meeting of shareholders, ensuring the board and its committees have the benefit of qualified and experienced independent directors, and developing a set of corporate governance policies and procedures. The board of directors has adopted a written charter for the Nominating Committee. The Nominating Committee Charter is available on the Company’s “Governance Documents” webpage at <https://www.snl.com/IRW/govdocs/4629645>, which can be accessed through Central Federal’s website under the “About Us – Investors” tab.

Audit Committee. The Audit Committee currently consists of directors James R. Sowers and Michael E. Estey. The Audit Committee is responsible for providing oversight relating to our financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit functions, annual independent audit, and the compliance and ethics programs established by management and the board. The board of directors has determined that the Company does not have an Audit Committee “financial expert” serving on the Audit Committee. The board of directors believes that in order to fulfill all the functions of the board and the Audit Committee, each member of the board and the Audit Committee should meet the board’s general criteria for board membership and that it is not in the best interests of the Company to nominate as a director someone who does not have all the experience, attributes, and qualifications that the Company seeks. Further, the board believes that the present members of the Audit Committee have sufficient knowledge and experience in financial affairs to effectively perform their duties. The board of directors has adopted a written charter for the Audit Committee. The Audit Committee Charter is available on the Company’s “Governance Documents” webpage at <https://www.snl.com/IRW/govdocs/4629645>, which can be accessed through Central Federal’s website under the “About Us – Investors” tab.

Director Nomination Process

Minimum Qualifications. The Nominating Committee will consider the following criteria in selecting nominees for initial election or appointment to the board: financial, regulatory, and business experience; familiarity with and participation in the local community; integrity, honesty, and reputation; dedication to us and our shareholders; independence; diversity (including, but not limited to, gender, race, ethnicity, age, experience, and skills); and any other factors the Nominating Committee deems relevant. In its consideration of diversity, the Nominating Committee seeks to create a board with a diverse set of skills and experience with respect to management and leadership, vision and strategy, accounting and finance, business operations and judgment, and industry knowledge.

Director Nomination Process. For purposes of identifying nominees for the board of directors, the Nominating Committee is expected to rely on personal contacts of the committee members and other members of the board of directors, as well as its knowledge of members of the local communities served by Central Federal. The Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth below. The Nominating Committee has not previously used an independent search firm in identifying nominees. In evaluating potential nominees, the Nominating Committee determines whether the candidate is eligible and qualified for service on the board of directors by evaluating the candidate under the selection criteria described above. In addition, the Nominating Committee may conduct an individual background check and interview the candidate.

Consideration of Recommendations by Shareholders. It is the policy of the Nominating Committee to consider director candidates recommended by shareholders who appear to be qualified to serve on our board of directors. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the board of directors and the Nominating Committee does not perceive a need to increase the size of the board of directors. In order to avoid the unnecessary use of the Nominating Committee’s resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures described below.

Procedures to Be Followed by Shareholders. To submit a recommendation of a director candidate to the Nominating Committee, a shareholder should submit the following information in writing, addressed to the Nominating Committee, care of our Secretary, at our main office address:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Securities and Exchange Commission (“SEC”) Regulation 14A;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address of such shareholder, as they appear on our books, provided, however, that if the shareholder is not a registered holder of our common stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of our common stock;
5. The class and number of shares of our capital stock beneficially owned by such shareholder; and
6. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

Our Secretary must receive notice of the nomination not less than 90 days before the date of the Annual Meeting; provided, however, that if less than 100 days’ notice of prior public disclosure of the date of the meeting is given or made to the shareholders, notice by the shareholder to be timely must be received not later than the close of business on the 10th day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure was made.

Director Attendance at Annual Meeting of Shareholders

While we have no formal policy on director attendance at the Annual Meeting of shareholders, all directors are encouraged to attend annual shareholder meetings. All of our directors attended the 2017 annual meeting of shareholders.

Code of Ethics and Business Conduct

The Company has adopted a Code of Ethics and Business Conduct that is designed to ensure that the Company’s directors and employees meet the highest standards of ethical conduct. The Code of Ethics and Business Conduct, which applies to all employees, officers, and directors, addresses conflicts of interest, the treatment of confidential information, general employee conduct, and compliance with applicable laws, rules and regulations. In addition, the Code of Ethics and Business Conduct is designed to deter wrongdoing and promote honest and ethical conduct, the avoidance of conflicts of interest, full and accurate disclosure, and compliance with all applicable laws, rules and regulations. Persons interested in obtaining a copy of the Code of Ethics may do so by writing to the Company at: Central Federal Bancshares, Inc., 210 West 10th Street, Rolla, Missouri 65401, Attention: Secretary.

AUDIT RELATED MATTERS

Audit Committee Report

As part of its ongoing activities, the Audit Committee has:

- Reviewed and discussed with management our audited financial statements for the year ended December 31, 2017;
- Discussed with the independent auditor the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- Received the written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and discussed with the independent auditor the independent auditor's independence.

Based on the review and discussions referred to above, the Audit Committee has recommended to the board of directors that our audited financial statements be included in our Annual Report to shareholders on Form 10-K for the year ended December 31, 2017.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts. The Audit Committee and the board of directors also have approved, subject to shareholder ratification, the selection of the Company's independent registered public accounting firm for the 2018 fiscal year.

-
- (1) Bonuses are awarded at the discretion of the board of directors based on factors that may include, among other factors, the profitability of Central Federal and the responsibility and performance of the officer or employee in question.
 - (2) The amounts disclosed in the “All Other Compensation” column for fiscal year 2017 include life insurance premiums paid, annuities, and health insurance related payments.
 - (3) Ms. Medwick’s employment with us began in June, 2016.
 - (4) Ms. Stevenson’s employment with us began in October, 2015.

The board of directors decided that, upon completion of the conversion of Central Federal to the stock form of organization and our related initial public offering, Mr. Stoltz should no longer receive fees for his attendance at board meetings. In connection with this, we increased his compensation by an amount equal to the fees paid in 2015. We completed the conversion and the offering on January 12, 2016.

Employment Agreement

We, along with Central Federal, have entered into an employment agreement with Mr. Stoltz in 2016. Our continued success depends to a significant degree on the skills and competence of Mr. Stoltz, and the employment agreement is intended to ensure that we maintain a stable management base following the completion of Central Federal’s conversion to stock form and our initial public offering.

The employment agreement provides for a three-year term, subject to annual renewal by the board of directors for an additional year beyond the then-current expiration date. Mr. Stoltz’s current base salary is \$165,000. The employment agreement provides for, among other things, participation in employee benefit plans and programs maintained for the benefit of employees and senior management personnel, including incentive compensation, health and welfare benefits, retirement benefits, and certain fringe benefits as described in the agreement.

Upon termination of Mr. Stoltz’s employment for “cause,” as defined in the agreement, he will receive no further compensation or benefits under the agreement. If we terminate him for reasons other than cause, or if he resigns after the occurrence of specified circumstances that constitute constructive termination, referred to in the agreement as a termination for “good reason,” Mr. Stoltz will continue to receive his base salary for the remaining unexpired term of the agreement. Under the employment agreement, if, in connection with or following a change in control (as described in the agreement), we terminate Mr. Stoltz without cause or if he terminates employment voluntarily under certain circumstances specified in the agreement, he will receive a severance payment equal to 2.99 times his average annual taxable compensation for the five preceding taxable years.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual’s base amount are deemed to be “excess parachute payments” if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and we would not be entitled to deduct such amount. The agreement provides for the reduction, at the election of Mr. Stoltz, of change in control payments to him to the extent necessary to ensure that he will not receive “excess parachute payments,” which otherwise would result in the imposition of an excise tax.

Upon termination of employment without cause or for good reason (other than termination in connection with a change in control), Mr. Stoltz will be required to adhere to a one-year non-competition restriction.

We will agree to pay all reasonable costs and legal fees of Mr. Stoltz in relation to the enforcement of the employment agreement, provided he succeed on the merits in a legal judgment, arbitration proceeding, or settlement. The employment agreement also provides for indemnification of Mr. Stoltz to the fullest extent legally permissible.

Change in Control Agreement

We, along with Central Federal, entered into a change in control agreement with Barbara E. Hamilton, Vice President of Operations in 2016. The change in control agreement has an initial one-year term, subject to renewal by the board of directors for additional one-year periods beyond the then-current expiration date. If, following a change in control of Central Federal Bancshares or Central Federal, either of those entities or their successors terminates the employment of Ms. Hamilton for reasons other than for cause, or if she voluntarily resigns upon the occurrence of circumstances specified in the agreement, she will receive a severance payment under the agreement equal to 12 months’ base compensation. The change in control agreement limits payments made to Ms. Hamilton in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G of the Internal Revenue Code.

Employee Stock Ownership Plan

In connection with its conversion to stock form, Central Federal adopted the Central Federal Savings and Loan Association of Rolla Employee Stock Ownership Plan (the “ESOP” or the “plan”) for eligible employees. Eligible employees who were employed by Central Federal as of January 12, 2016 became participants in the ESOP as of the plan’s effective date. Eligible employees hired after January 12, 2016 become participants in the ESOP as of the plan entry date following or coincident with their completion of one year of service with Central Federal.

The trustee of the ESOP purchased, on behalf of the plan, 143,042 shares of the common stock issued in our initial public offering. The trustee funded the stock purchase for the plan through a loan from us equal to 100% of the aggregate purchase price of the common stock. Over its 25-year term, the loan is repaid by the plan principally through contributions to the ESOP by Central Federal and any dividends paid on unallocated common stock held by the plan. The annual interest rate on the loan is 3.5%.

The trustee holds the shares purchased by the ESOP in a loan suspense account and will release the shares from the suspense account on a pro rata basis as Central Federal repays the loan. The trustee will allocate the shares released among active participants on the basis of each active participant’s proportional share of compensation. Participants vest in their ESOP allocations at the rate of 20% per year over a six-year period and are credited with past service for vesting purposes under the ESOP. Participants become fully vested upon reaching age 65, death or disability, a change in control, or termination of the plan. Generally, participants will begin receiving distributions from their ESOP accounts upon separation from service with Central Federal.

Participants may direct the plan trustee how to vote the shares of common stock credited to their ESOP accounts. The plan trustee will vote all unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as the trustee votes those shares for which participants have properly provided instructions (disregarding shares with respect to which the trustee has received instructions to abstain), subject to fulfillment of its fiduciary responsibilities as trustee.

Outstanding Equity Awards at End of Fiscal Year

In 2017, our board of directors adopted, and our shareholders approved, the Central Federal Bancshares, Inc. 2017 Equity Incentive Plan (the “2017 Plan”). The 2017 Plan became effective as of the date it was approved by our shareholders. We believe that, when implemented, the 2017 Plan will promote our success by linking the interests of the employees and directors of the Company and its affiliates to the interests of our shareholders and by providing participants with an incentive for outstanding performance. Each employee and director of the Company and Central Federal is eligible to participate in the 2017 Plan. Subject to adjustment as provided in the 2017 Plan, the 2017 Plan reserves a total of 240,695 shares of common stock for issuance pursuant to awards granted under the 2017 Plan, of which up to 68,770 shares may be granted in the form of restricted stock awards and up to 171,925 shares may be granted in the form of stock options, representing 4% and 10%, respectively, of the shares of stock issued in our initial public offering. We have not made any awards under the 2017 Plan.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

Transactions with Related Parties

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits loans by publicly traded companies, such as Central Federal Bancshares, to its executive officers and directors. The Sarbanes-Oxley Act also, however, contains a specific exemption from such prohibition for loans by insured depository institutions to their executive officers and directors in compliance with federal banking regulations. Federal regulations generally require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features, although federal regulations allow us to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees that does not give preference to any executive officer or director over any other employee.

Under federal banking law and regulations, loans made to a director or executive officer must be approved in advance by a majority of the disinterested members of the board of directors if the loan amount, when aggregated with the amount of all other loans to that director or officer and his or her related interests, exceeds the greater of \$25,000 or 5% of Central Federal’s capital and surplus, up to a maximum of \$500,000.

Central Federal has followed a policy in granting loans to executive officers and directors and believes that this policy fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of Central Federal's business and on the same terms and conditions, including interest rates and collateral, as those of comparable transactions with persons not related to Central Federal which prevail at the time. Loans to executive officers and directors are made in accordance with our underwriting guidelines and do not involve more than the normal risk of collectability or present other unfavorable features. All loans to directors and executive officers and their related persons outstanding at December 31, 2017 were performing in accordance with their terms.

Other Transactions. During the year ended December 31, 2017, there were no transactions to which we were (or will be) a party, other than loans or extensions of credit discussed above, that involved amounts exceeding the lesser of \$120,000 or 1% of the average of Central Federal's total assets at December 31, 2017, and in which any of our executive officers and directors had or will have a direct or indirect material interest.

Beneficial Ownership Reporting Compliance

Our executive officers and directors, and persons who own more than 10% of any registered class of our equity securities, are required to file reports of ownership and changes in ownership with the SEC. Based solely on our review of copies of the reports received by the SEC and written representations provided to the SEC from the individuals required to file the reports, we believe that each of our executive officers and directors has complied with applicable reporting requirements for transactions in our common stock during the year ended December 31, 2017.

ITEM 2 — RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the board of directors has appointed BKD, LLP ("BKD") to be our independent registered public accounting firm for the fiscal year ending December 31, 2018, and we are seeking shareholder ratification of the appointment of BKD. A representative of BKD is expected to be present at the Annual Meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he or she desire to do so.

On August 15, 2017, the Audit Committee and the full Board of Directors approved the engagement of BKD as our independent registered public accounting firm for the fiscal year ending December 31, 2017, subject to the completion of BKD's standard client acceptance procedures, and the dismissal of Michael Trokey & Company, P.C. ("Trokey P.C.") as our independent registered public accounting firm. We advised Trokey P.C. of its dismissal on August 16, 2017 and formally engaged BKD, LLP on August 21, 2017. Trokey P.C. audited the Company's consolidated financial statements for the year ended December 31, 2016 and the financial statements of Central Federal for the years ended December 31, 2015 and 2014. On January 12, 2016, in connection with the conversion of Central Federal to the stock form of organization and the Company's initial public offering, the Company completed its organization and became the savings and loan holding company and sole shareholder of Central Federal.

Trokey P.C. audited our consolidated financial statements for the year ended December 31, 2016 and the financial statements of Central Federal for the years ended December 31, 2015 and 2014. On January 12, 2016, in connection with the conversion of Central Federal to the stock form of organization and the Company's initial public offering, the Company completed its organization and became a savings and loan holding company and the sole stockholder of Central Federal.

The reports of Trokey P.C. on the above-referenced financial statements of the Company and of Central Federal contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principle. During the years ended December 31, 2016 and 2015, and during the interim period from the end of the most recently completed year through the date on which Trokey P.C. was dismissed, there were no “disagreements” (as defined in Item 304(a)(1)(iv) of Regulation S-K) between us and Trokey P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Trokey P.C., would have caused Trokey P.C. to make reference to the subject matter of such disagreement in connection with its reports on our consolidated financial statements for such years. During the years ended December 31, 2016 and 2015, and during the interim period from the end of the most recently completed fiscal year through the date on which Trokey P.C. was dismissed, there were no “reportable events” (as described in Item 304(a)(1)(v) of Regulation S-K).

We requested that Trokey P.C. furnish us with a letter addressed to the SEC, stating whether Trokey P.C. agreed with the foregoing statements, and if not, stating the respects in which Trokey P.C. disagreed. That letter from Trokey P.C. concurring with the above statements was filed as an exhibit to our Current Report on Form 8-K filed with the SEC on August 21, 2017.

During the fiscal years ended December 31, 2016 and 2015, and during the interim period from the end of the most recently completed fiscal year through the date on which Trokey P.C. was dismissed, neither we nor anyone acting on our behalf consulted BKD regarding (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or (ii) any matter that was either the subject of a “disagreement” with Trokey P.C. on accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which, if not resolved to the satisfaction of Trokey P.C., would have caused Trokey P.C. to make reference to the matter in its report, or a “reportable event.”

The Audit Committee considered whether the provision of non-audit services was compatible with maintaining the independence of either firm. The Audit Committee concluded that performance of such services did not affect the independence of Trokey P.C. Trokey P.C., prior to its dismissal, in performing its function as our independent registered public accounting firm. The Audit Committee has also concluded that performance of such services does not affect the independence of BKD in performing its function as our independent registered public accounting firm.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm, either by approving an engagement prior to the engagement or pursuant to a pre-approval policy with respect to particular services. These services may include audit services, audit-related services, tax services and other services. The Audit Committee may delegate pre-approval authority to one or more members of the Audit Committee when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The audit-related fees and all other fees described above were approved as part of our engagement of BKD, and, prior to its dismissal, Trokey P.C.

The shareholder vote on the appointment of BKD is advisory only; even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent auditor at any time during the year if it determines that such change would be in our best interests and in the best interests of our shareholders.

The board of directors recommends that shareholders vote "FOR" the ratification of the appointment of BKD as our independent registered public accounting firm.

SUBMISSION OF BUSINESS PROPOSALS AND SHAREHOLDER NOMINATIONS

We must receive proposals that shareholders seek to include in the Proxy Statement for our next annual meeting no later than December 7, 2018. If next year's annual meeting is held on a date more than 30 calendar days from May 15, 2019, a shareholder proposal must be received by a reasonable time before we begin to print and mail proxy solicitation for such annual meeting. Any shareholder proposals will be subject to the requirements of the proxy rules adopted by the SEC.

Our bylaws provide that a person may not be nominated for election as a director of Central Federal Bancshares unless that person is nominated by or at the direction of our board of directors or by a shareholder who has given appropriate notice to us before the meeting. Similarly, a shareholder may not bring business before an annual meeting unless the shareholder has given us appropriate notice of its intention to bring that business before the meeting. Our Secretary must receive notice of the nomination or proposal not less than 90 days before such annual meeting; provided, however, that if less than 100 days' notice of prior public disclosure of the date of the meeting is given or made to the shareholders, notice by the shareholder to be timely must be received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. A shareholder who desires to raise new business must provide certain information to us concerning the nature of the new business, the shareholder, the shareholder's ownership of our capital stock and the shareholder's interest in the business matter. Similarly, a shareholder wishing to nominate any person for election as a director must provide us with certain information concerning the nominee and the proposing shareholder. A copy of our bylaws may be obtained from us upon request.

SHAREHOLDER COMMUNICATIONS

We encourage shareholder communications to the board of directors and/or individual directors.
