The Greater Cannabis Company Announces Appointment of David Tavor to its Board of Directors

Baltimore, MD, Sept. 24, 2018 (GLOBE NEWSWIRE) — The Greater Cannabis Company, Inc. (OTCPK: GCAN) (“the Company”) a biotechnology company focused on delivery systems for the Cannabis market, is pleased to announce the appointment of a new member to its Board of Directors. Mr. David Tavor will join Mr. Zacharin, CEO of Greater Cannabis, on the Board of Directors effective as of September 24, 2018.

“In line with our strategic imperative of appointing appropriate candidates, we are pleased to welcome David as a new director. As we continue our development of Greater Cannabis into a leader of innovative delivery systems for patients and consumers in the Cannabis space, we will be seeking out experienced executives to serve on our board of directors to work with us in advancing the company. David was actively involved in facilitating the Pharmedica license agreement, and we are confident that he will provide a great deal of value as an active board member,” said Aitan Zacharin, Chief Executive of Greater Cannabis. “I believe David’s relevant experience and expertise in deal making, management, as well as relationships across our targeted vertically integrated sector will have a meaningful impact for our company. His passion for building and growing companies is apparent in his impressive track record. We look forward to having David alongside our executive team to bring our technology to the global Cannabis market,” said Mr. Zacharin.

In other news, The Greater Cannabis Company has recently started trading on the OTC Markets, and is now DTC eligible. Existing shareholders now have the ability to electronically deposit their shares through the DWAC platform into their brokerage account. “This is just another step in establishing a solid foundation of corporate governance to best serve our shareholders,” added Mr. Zacharin.

The company will be releasing more information on its technology and business plan through its website and communications in the coming days.

About The Greater Cannabis Company:

The Greater Cannabis is a biotechnology company focused on the development and commercialization of innovative Cannabinoid delivery systems. Greater Cannabis deploys its licensed, patented technology platform, which has been successfully applied for other drug delivery applications, for use in Cannabis patients and consumers. The company’s conveyance platform can be utilized to deliver cannabinoids without the harmful side effects found with other cannabinoid delivery methods. The technology is versatile in that for the first-time patients can receive lower dosing, enhanced bioavailability, and controlled rapid and delayed release using a fully dissolvable, non-irritant oral eluting patch. Greater Cannabis’ mission is to bring our technology to the global market through partnerships with leading Cannabis and pharmaceutical companies, for the benefit of patients and consumers.
